****Grade is based on your grade as of January 1st of exhibit year****
2. Those exhibiting in Junior Fair are responsible for seeking approval of their intended entries from their 4-H Club Leader or FFA Advisor by their club deadline before “submitting” their entries on-line at www.ShebCoFair.com. Additions to entries can be made up until the entry deadline. ****Entry Deadline is strictly observed****
3. **DECISIONS OF THE SUPERINTENDENTS ARE FINAL! PLEASE KEEP IN MIND THAT SUPERINTENDENTS ARE SERVING AS VOLUNTEERS. EXHIBITORS, EXHIBITORS’ FAMILY MEMBERS OR SPECTATORS DISPLAYING BAD/DISRESPECTFUL BEHAVIOR WILL BE REMOVED FROM THE PREMISE.**

***** Entry Deadline: July 15, 2023 *****

4. In order to receive premiums, Junior Fair exhibitors must be enrolled in the youth organization, and the project in which they are exhibiting, by March 1st, of the exhibit year.
5. Unless stated, no exhibitor will be allowed to enter more than one item in any one lot number. Refer to specific department rules for class and lot entry limits.
6. Exhibits must be the member’s own work, completed during the current year and they must show their own entry.
7. Junior Fair exhibitors may have a substitute show their exhibit(s) if the exhibitor has a serious medical condition which prevents them from showing with the exception of Showmanship Classes. However, the exhibitor must be present for judging. If the exhibitor is not able to be present for judging, the entry will not be allowed to be judged. The decision to allow the substitution will need to be approved by three superintendents and a fair board member by way of the Junior Fair Exhibitor Substitution Form. Return signed form to the fair office before judging begins. Any deviation from the above rules will be decided by three superintendents and a fair board member. If anyone is found to have falsified their illness or injury, they will not be allowed to show the following year.
8. Refer to the specific department for any additional rules of entry.
9. In all non-animal projects, members will present the articles directly to the judge for evaluation at the time of entry. You will receive the judge’s comments and your ribbon placing at that time.
10. Junior Fair exhibitors may enter under only one (1) organization per department. (Example: You cannot enter under 4-H and FFA in Poultry)
11. Exhibits entered in the wrong department, class or lot number on an entry form, will be disqualified. The project will not be judged and no premium or ribbon will be awarded. The project may be brought to the fair for display only.

Who is under the age of 21 and consumes alcohol on the Fairgrounds,shall at the sole direction and discretion of the Fair board forfeit all awards or prizes that he or she may have won during the Fair and may be ordered to immediately remove his or her exhibited animal(s) or other exhibits. This shall be done without recourse by the exhibitor.
13. Junior Fair exhibits cannot be shown in the open class. The only exception to this rule is that parents may use (one) 1 Jr. Fair animal per lot when showing in open group classes. (Definition of a group is three or more animals).
14. When showing livestock exhibits, all current Wisconsin Animal Health Regulations must be met (pages 5-10).
15. All exhibits need to be checked in by Department Superintendents so requirements such as entry tags, registration papers, Premise ID, health papers and exhibitor number can be verified and checked.

16. No parking will be allowed around barns except when unloading or loading feed or supplies. Failure to abide by this rule will mean automatic forfeiture of premiums.
17. If an exhibitor does not need the space allotted to him/her (Cage, Stall or Pen), please notify the superintendent. These areas cannot be used for additional storage or display areas.
18. Back tags must be worn during all livestock events.
19. Any exhibitor unable to lead or control his/her animals will be eliminated from competition by either the judge or superintendent.

Other than proceeding to judging the only area animals can be walked is in the wash rack area.
23. Dismantling barn displays may begin at 5:30 p.m. on Monday of the Fair. Any club starting before this time or any club throwing paper decorations, plastic, glass or aluminum between the manure and bedding will forfeit all exhibitor and club premiums in the department where the infraction occurred.
24. No exhibit may be removed from the fair park early without prior approval from fair management. Exhibitors are responsible for picking up exhibits from the fairgrounds on Labor Day, between 6:00 - 9:00 p.m. or 8:30 a.m. – 6:00 p.m. Tuesday following the fair for non-animal exhibits only.

30. Per the Division of Public Health, **cooking or serving food in or around any animal barns is prohibited.**
31. Any infraction of rules printed in this entry book or any 4-H County booklets will result in disqualification of exhibitor.
32. All Sheboygan County Fair rules supersede any state rules.

EXHIBIT RELEASE PROCEDURE

4-H Building

4-H Building doors will be locked at 5:45 p.m. Monday and reopened at 6:00 p.m. At this time, exhibitors must enter the building using the side doors only. The center entrance will be used to exit the building. Large exhibits must be carried to the parking lot, as no vehicles will be allowed to drive up to the building. For those who must bring their vehicle to the exhibit building for loading, release will be on Tuesday following the Fair, from 8:30 a.m. to 6:00 p.m.

Livestock Barns

All vehicles picking up livestock will enter thru Gate No. 2. **NO** vehicles will be allowed to come down from the North end of the fairgrounds. The roads will be blocked off. If you are parked on the fairgrounds prior to 6:00 p.m., you can use the Bishop Street (Gate 5) exit and follow around the block to enter Gate 2. Livestock trucks and trailers will be allowed to park (driver must remain with the vehicle) on the east side of Fairview Dr. next to Gate 2 after 5:00 p.m. on Monday. Again, anyone picking up livestock **must use Gate # 2**. All traffic will be one-way in an easterly direction on Livestock Ave. on the north side of the cattle barns, using Gate 5 (Bishop Street) to exit.

We hope this will not inconvenience anyone; however, this procedure has been used for several years now and appears to be more successful every year. With everyone's help and understanding, this has proved less frustrating and safer than previously tried procedures.

Sheboygan County Fair Board & Plymouth Police Department

CODE OF ETHICS

Exhibitors shall at all times conduct themselves with honesty and good sportsmanship. This code applies to Junior as well as Open class exhibitors who compete at the Sheboygan County Fair. This code will be enforced at all events held at the Sheboygan County Fair Park and during the Sheboygan County Fair.

1. Criticizing or interfering with the judge, show management or other exhibitors will not be allowed and could result in penalties as listed in number (4) below.
2. Tampering, and/or inhumane treatment; and/or misrepresentation as to breeding, age, ownership and any other irregularity in showing will be considered fraud and deception.
3. To maintain a high degree of confidence and integrity in the livestock shows, the Sheboygan County Fair reserves the right to disqualify any animal fitted in an unethical manner and disqualify the exhibitor. Unethical fitting shall include, but not limited to, any surgical or unethical insertion of any matter under the skin or into body cavities, performed to change the natural contour or appearance of the animal's body (e.g., administration of fluid via a stomach tube or other similar apparatus to fill the rumen), though not to preclude practices required or involved in normal management. It shall also include attempts to disrupt or change normal dental development, dyeing or coloring hair, adding artificial tail heads, switches, polls, hair and heels. The use of clenbuterol is prohibited. Treating the animal, particularly the udder, internally or externally with an irritant or counter-irritant, using a device to artificially create or enhance the udder crease will be in violation of the ethics code. Along with that using of other substances as detected by testing that causes changes in the udder to artificially improve the conformation. Plugging of teat canal with foreign substances will not be allowed.
4. All exhibitors, their immediate family and any other parties involved in the unethical fitting and showing of an animal will be subject to award(s) and premium(s) forfeiture, which may include the forfeiture of auction proceeds; and/or dismissal from the fairgrounds; and/or being barred from competition immediately in the department in which the violation has occurred and/or from all departments entered; and/or in future competition in the Sheboygan County Fair.

Swine

Note: These regulations apply to all swine, including pet pigs and racing pigs

Swine from within Wisconsin (Ref. s. ATCP 10.32(2) and 10.87, Wis. Admin. Code) need a Wisconsin intrastate certificate of veterinary inspection (CVI or health certificate):

NOTE: Herd of origin means the herd in which the pigs currently reside, likely the exhibitor’s herd. When pigs are purchased from a herd, the herd from which they originate is the herd of origin for the seller. Once the purchased pigs are added into the buyer’s herd (even if the buyer’s herd only consists of one or just a few animals), the buyer’s herd becomes the new herd of origin and that herd must meet testing requirements to move pigs again.

- Stating that the entire herd of origin was inspected on the farm within 30 days before the show and no apparent disease was present at the time of inspection
- Non-terminal Exhibitions:** All swine must have a PRRS (Porcine Reproductive and Respiratory Syndrome) and PEDv (Porcine Epidemic Diarrhea virus) test of the herd of origin within 90 days of the exhibition. Include test date, type, and results on the CVI.
- Terminal Exhibitions:** No testing requirements.

Note: Terminal Exhibitions are those at which the swine go directly from the fair/show to the slaughtering establishment OR to a slaughter only market sale. If going to a slaughter only market sale, contact the Division of Animal Health fair inspector for required information to collect.

Note: If the fair intends to use a load-out facility, contact the Division of Animal Health in advance to discuss requirements that must be met.

Swine from outside Wisconsin (Ref. s. ATCP 10.30 and 10.87, Wis. Admin. Code) need a certificate of veterinary inspection (CVI or health certificate) that includes the following:

- The negative results of the PRRS test from the swine’s herd of origin conducted within 90 days prior to movement into Wisconsin including test date, type, and results.
- The negative results of the PEDv test from the swine’s herd of origin conducted within 90 days prior to movement into Wisconsin including test date, type, and results.
- A statement that the veterinarian has inspected the entire herd of origin within the past 30 days and that no clinical signs of PRRS and PEDv or any other apparent disease was present at the time of inspection
- Official individual identification (ID)

Acceptable methods of ID for swine are:

- USDA silver ear tag
- USDA 840 ear tag, either visual or RFID
- Breed association tattoo if the pig is a purebred and the tattoo is registered
- An ear tag with the premises identification number and a unique identifier
- Ear notch if the pig is a purebred and the notch is registered

Note: Microchips are not accepted as official ID for any swine including pet pigs.

Requirements are subject to change as conditions warrant. For current information and for PRRS and PEDv testing options, check http://datcp.wi.gov/Pages/Programs_Services/SwineMovement.aspx
